## **TO AVOID MISTAKES OR MISUNDERSTANDING READ THIS PAGE BEFORE ORDERING.**

**OUR GUARANTEE:**—We absolutely guarantee safe arrival and perfect satisfaction in every way and if on receiving the goods you are not perfectly satisfied let us know and we will either replace the goods or make other restitution satisfactory to you. But remember no one is perfect and if you do not let us know and give us a chance to make it right you have no one to blame but yourself.

If it becomes necessary we reserve the right to change these prices but in case of an advance we will notify you before shipping. If sold out of the variety ordered we will substitute with the nearest we have unless you instruct us to the contrary.

**TERMS:**—Cash, Check, Money Order or Stamps.

We positively stand back of everything we put out but for your protection as well as ours:—We give no warranty express or implied as to description, quality or productiveness of any seeds, bulbs, or plants we sell and we will not be in any way responsible for the crop. If you do not accept them on these terms return them at once and get your money back.

**CLAYTON E. RISLEY.**

### **SPECIAL DISCOUNT FOR EARLY ORDERS.**

On all CASH orders received by us before April 1st, 1933, for anything listed in this catalogue we will allow a discount of 10%.

### **SPECIAL CONTRACT PRICES.**

On quantity orders for Early Vegetable Plants if order is placed before time to sow the seed we will allow a very liberal discount.

### **JUNIOR PROJECT AND 4-H CLUB WORKERS**

It has been our custom for a number of years to allow a discount of ONE THIRD off from our regular prices to any boy or girl for any SEEDS or PLANTS TO BE USED IN THEIR OWN GARDEN.

### **WHOLESALE PRICES.**

We are glad to quote wholesale price to Market Gardeners or those buying in quantity..

### **SPECIAL CLUB ORDERS**

If you care to get up a club order or sell to your neighbors we will send you our Agents discount sheet.

# VEGETABLE SEEDS

Many varieties of Vegetable Seed found in other catalogues are not listed in ours as we carry only those which have been tested in our soil and climate and found adapted to it. Many varieties which under some conditions are excellent in other places are practically worthless.
